RECYCLE FOR A CAUSE

DCH is excited to announce that we are now recycling our printer toner cartridges in an effort to help the Sanilac Humane Society. Toner cartridges can be dropped off at the Sanilac Humane Society, 3847 W. Sheldon Rd., Carsonville or here at the hospital.

The proceeds from the recycled toner cartridges are used to assist the SHS in purchasing food and other animal necessities. We would like to spread the word to make this a community effort in helping our furry friends in every way possible.

WELCOME STACEY GOLDFINE. DO...

Deckerville Community Hospital welcomes Dr. Stacey Goldfine to offer primary care services to our community. Dr. Goldfine is a Board Certified Family Physician who has a special interest in Integrative Medicine including Comprehensive Health Care, Women's Health, along with Nutritional Healing and Counseling. She brings to our area a great combination of 17 years of clinical experience and knowledge with a strong passion for community wellness.

"I am so excited to have the opportunity to help make a difference in a community that is so welcoming. I have been blessed to be a part of an amazing organization of individuals who truly want to help others. I am looking forward to playing golf on the local courses and paddle boarding in Lake Huron this summer."

Dr. Goldfine earned her medical degree from Michigan State University College of Osteopathic Medicine in East Lansing, MI and completed her internship in Family Medicine at Park Lane Medical Center, Kansas City, MO. She completed her residency through University of Health Sciences, Kansas City, MO. She enjoyed a successful Family Practice in the greater Kansas City area before returning home to Michigan in 2008.

Deckerville Healthcare Services RHC is the new primary office for Lori Nugent, PA-C as well. Dr. Goldfine will be joining Lori, Lindsey Bulgrien, FNP-BC and Dr. Bassam Afaneh. "We are very excited to have Dr. Goldfine join our team, David West, CEO, said. "She possesses an excellent blend of education and knowledge with a passion for rural community healthcare."

Dr. Goldfine will further strengthen our network of physicians, as she is devoted to providing high-quality care and helping patients make important healthcare decisions.

The clinic is located at 2433 Black River Street in Deckerville. Office hours are Monday through Friday from 8:00 a.m. to 5:00 p.m. To schedule an appointment with Dr. Goldfine, please call (810) 376-2885.

Gain access to Hospital news, updates, services and community information by following Deckerville Community Hospital on Facebook.

Deckerville Community Hospital, a facility of healing, caring and a connection for patients and families in the community we call home.

"Sharing a Community... And a Commitment"

MOTHER'S DAY HISTORY...

Origin of Mother's Day goes back to the era of ancient Greek and Romans. But the roots of Mother's Day history can also be traced in UK where a Mothering Sunday was celebrated much before the festival saw the light of the day in US. However, the celebration of the festival as it is seen today is a recent phenomenon and not even a hundred years old. Thanks to the hard work of the pioneering women of their times, Julia Ward Howe and Anna Jarvis that the day came into existence. Today the festival of Mothers day is celebrated across 46 countries (though on different dates) and is a hugely popular affair. Millions of people across the globe take the day as an opportunity to honor their mothers, thank them for their efforts in giving them life, raising them, and being their constant support and well wisher.

M - O - T - H - E - R

"**M**" is for the million things she gave me,

"**O**" means only that she's growing old,

"**T**" is for the tears she shed to save me,

"**H**" is for her heart of purest gold;

"**E**" is for her eyes, with love-light shining,

"**R**" means right, and right she'll always be,

Put them all together, they spell

"MOTHER,"

A word that means the world to me.

WAY TO GO MATT.... APRIL 2016 EMPLOYEE OF THE MONTH

We are pleased to announce **Matt Veen** was selected as **Employee of the Month** for **April 2016**.

Matt is one of Medical Billers and has been for the past 4 years. He is an avid sportsman and enjoys fishing, hunting, and camping.

His nominators say "Matt willingly picked up extra work while the department was short staffed due to illness; he is a team player, and goes out of his way to help others. Matt is a very dedicated employee who is willing to go above and beyond for the hospital and his co-workers."

CONGRATULATIONS MATT AND THANK YOU FOR MAKING A DIFFERENCE!!

THANK YOU...

For several years, Deckerville Community Hospital has been supplied with "Casey" bears by the Ruth Knights of Columbus, Council 3823. The community service project is part of the Michigan K of C Council's "Casey the Bear" program that approximately 400 Michigan K of C Councils uses. They provide bears to emergency service providers to comfort children during medical emergencies, accidents, and other stressful situations. The Ruth K of C presented 16 Casey bears to the hospital on April 20.

Deckerville Community Hospital is very grateful to have these bears available as they can ease a child's shock or scare of an ER visit allowing our nurses and physicians assess the children of our community.

FUTURE STAFF

On Tuesday, April 19, 2016 the 2nd graders of Deckerville Community Schools visited Deckerville Community Hospital. Each year 2nd grade teachers, Ms. Cowley and Ms. Sweet, arrange the field trip to Deckerville Community Hospital. The kids toured the facility, stopping in at various departments to learn about each one. Staff members of Radiology, Laboratory, Nursing, and Clinic Offices were on hand to educate the kids on what happens in each of their

departments and tell them what a patient may expect in the course of treatment in each area. Students were very interested and responded with many questions. Many shared some of their own stories of a trip made to the hospital or doctor's office. The tour ended with a trip to the lunchroom where dietary staff had prepared a scrumptious snack for them.
