SANDUSKY TRIBUNE/DECKERVILLE RECORDER JOINS OUR EFFORTS!

Bill Dixon, Owner/Publisher, Sandusky Tribune/Deckerville Recorder is now joining our efforts of recycling their printer toner cartridges in order to help the Sanilac County Humane Society.

Toner cartridges can be dropped off at the Sanilac Humane Society, 3847 W. Sheldon Rd., Carsonville or here at the hospital.

The proceeds from the recycled toner cartridges are used to assist the SHS in purchasing food and other animal necessities.

Please join us and spread the word to make this a community effort in helping our furry friends in every way possible. **Thanks Bill !!**

THANK YOU KLATY FAMILY!!

During the weekend of April 22nd in conjunction with a visit from Miss Michigan, Emily Kieliszewski, the Klaty Family Citgo of Deckerville donated a portion of their entire weekend Pizza sales to Deckerville Community Hospital and Eva's place.

"Deckerville Community Hospital is very thankful for the generosity and support we received from our community. Together we are making great strides in bringing high quality healthcare to our area," stated Cheryl Hieber, Marketing Director.

Keri Klaty, Citgo Manager, recently presented a check to the hospital on behalf of Citgo.

WAY TO GO ANNIE AND KRISTY...

JUNE 2016 CO-EMPLOYEES OF THE MONTH !!

We are pleased to announce **Annie Vogel and Kristy Burgett** were selected as **Co-Employees of the Month** for **June 2016**.

Their nominator had this to say, "In the month of May, these girls were asked to help in other departments to which they responded, "Yes. What do you need us to do?" Neither complained or made negative comments about the request. They both went to work and accomplished every task they were given with a happy heart! Deckerville Hospital is very lucky to have the two young ladies working for them."

Annie loves to cook and bake and enjoys spending hours decorating a cake. She is an animal lover with 2 horses and looks forward to riding them with friends.

Kristy enjoys spending time with her grandson, taking family pictures and is enjoying the change from working at a larger hospital to a smaller one.

"We're glad to help other departments when we are needed as well as each other. We have become good friends in a short time. Through team work we are updating the OR in every area that we can."

CONGRATULATIONS ANNIE AND KRISTY!!

THANK YOU FOR MAKING A DIFFERENCE!
