RECYCLE FOR A CAUSE

DCH is excited to announce that we are recycling our printer toner cartridges in an effort to help the Sanilac Humane Society. Toner cartridges can be dropped off at the Sanilac Humane Society, 3847 W. Sheldon Rd., Carsonville or here at the hospital.

The proceeds from the recycled toner cartridges are used to assist the SCHS in purchasing food and other animal necessities. We would like to spread the word to make this a community effort in helping our furry friends in every way possible.

LET US DO YOUR HOLIDAY BAKING...

Our Woman's Auxiliary and employees have their ovens and their hearts all fired up for their annual Cookie Walk at the DWOL Christmas Bazaar. The Bazaar is held this year on Saturday, November 19th, from 10am-3pm at Deckerville Community Schools. It's a win win...NO messy kitchen while supporting our Woman's Auxiliary!!

FRIDAY NIGHT LIGHTS!!

Our staff recently got a taste of our local Grid Iron by collaborating with The Deckerville Athletic Boosters on a cool crisp Friday night working the concession stand. Seven hospital employees came out to support the Eagles and the community by serving up Hot Dogs, Pizza and Hot Chocolate!! During halftime, The Athletic Boosters shot DCH T-shirts into the crowd! What a fun evening...full of laughs, comradery, and seeing all the Eagle fans! We'll be back!
